Food, drink & damage/incidentals refundable deposit payable 14 days prior to wedding

The Extra Bits

We like to keep our pricing nice and simple for our couples but there are a few extra bits that you might need

If you are holding your wedding ceremony with us then there is a small charge to cover the license of £200

If you are having a band for your evening party there is a £150 charge.

This covers the additional wear and tear on the House, a room for them to change in, food (for up to 6 band members) & non-alcoholic refreshments, plus the required paperwork

If you want to keep the party going after midnight then we are happy to extend until 2am.

The cost per half an hour is £200
